1. **Fix UI nacocrop sya**

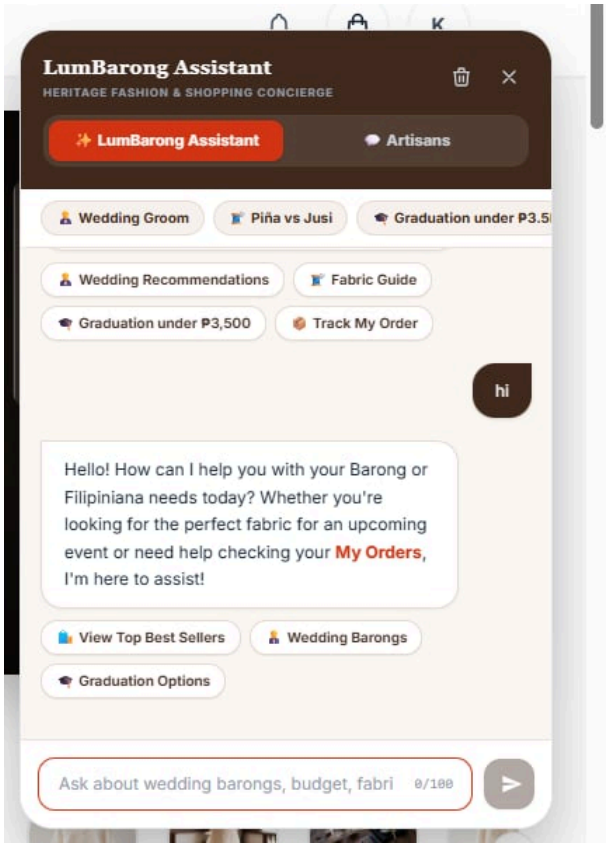

2. **Pag nag register or kahit anong email n dapat matanggap ni user dapat wala sa spam pwede ma fix yun**

3. **Hindi na sscroll d kita button sa baba**

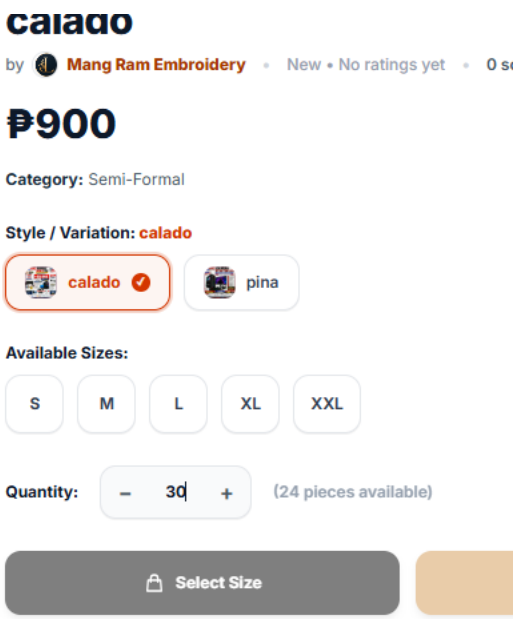

4. **Pano nagana to AI ba?**

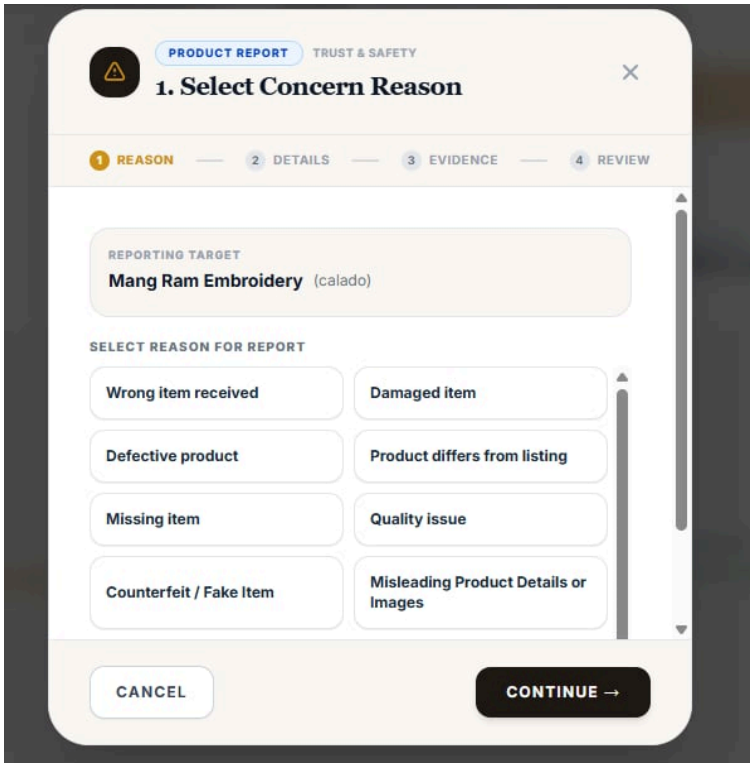

5. **WAG GUmamit ng emoji use ICONS para malinis tignan mukang AI pag may emoji**

6. **Dapat hindi makakapag type ng sobra pa sa stock kunwari ang stock ay 10 dapat bawal makapag type ng 11 pataas pag oorder (validation)**

7. (make sure/double check) pag may nag order place dapat mabawasan stock pag nicancel tas inaccept nung seller automatic babalik stock.

8. Gawing dropdown nalang yung reason then pwede mag select ng multiple

9. Try gawing notification badge yung may number kung ilan nareceive n notifications
